**Batting Leader board**

<u>On base percentage</u>	<u>(M)</u>	<u>On base percentage</u>	<u>(F)</u>	<u>Home Runs</u>	
JD	917	Emma	794	JD, Dan	7
Dave	900	Annie	708	Rob, Steve A.	2
Tony	800	Helen	650	Tony, Dave W., Michael	1

OBP = On Base Percentage = hits + walks / plate appearances. (It's not a hit if another runner is **FORCED** out on the play).  
 Minimum of 10 plate appearances needed to feature in the OBP figures .You also need to have played in 1 or more of the last 4 games.

**21/06/16 Falcons W 33-4**

After a 19 run top of the 1st in which we batted round the order twice there was only really going to be one winner of this game. It can be all too easy easy to get sloppy once you have built up a big lead but we stayed focused and were tidy in the field.

Home Run Hero was Michael and OBP leaders were Emma, Sandra, Annie and Stewart who all batted 1000. In the field TK was excellent on 1st, Dan was good at short stop again and Dave pitched efficiently.

A number of male absentees this week meant that we had to re-jig the side a bit, Michael played his first game of the season, making a welcome return from injury, and looked good with bat and glove. Sulaimaan also showed a lot of promise on his MSL debut.

**MVPs were TK and Michael.**

## Jen Szczepaniak Sloane

### When did you join the Tigers club ?

About 3 weeks ago...

### Previous Softball (or Baseball) experience ?

Never played softball or baseball before, but I've watched two live baseball games (about 10 years ago!). I've played a bit of league rounders in both Leicester and Sheffield (although that was probably 5 years ago now!!)

### Favourite fielding position ?

Not sure I can really say, at the moment it is catcher as that is all I have done.

### What do you do in real life ?

I'm a marketer and work at Laser Quantum, a company who manufacture Lasers for research institutions. I've been in this job for about one and half years and I love my role and the company. I've been in the science/healthcare industry since working in marketing.

### Other Sporting Interests ?

I'm primarily a badminton player, played country up to seniors, but now I just play league as it is a lot less travelling! I also play Korfbal, football with the work guys, and run regularly - mainly for fitness but I do enter a few races every now and then (10k/half marathon, no chance i'll be doing a marathon). I'd much rather play sport than watch it, although I do follow football. Being from Leicester, I'm a Leicester City supporter and this season has been unreal!

### A bit of background ?

I grew up in Leicester, studied Genetics at the University of Sheffield and moved to Macclesfield 5 years ago due to a new job. I got married in 2012 to Dom Szczepaniak Sloane, who has a better surname than my maiden name, which was also Polish (Antkowiak).

### Surprising fact / Dirty secret ?

My best claim to fame is being interviewed on Radio two about korfbal!
