OBP = On Base Percentage = hits + walks / plate appearances. (It's not a hit if another runner is **FORCED** out on the play).
 Minimum of 10 plate appearances needed to feature in the OBP figures .You also need to have played in 1 or more of the last 4 games.

28/06/16 Drizzle W 31-13

After a slow start we gradually built up a commanding lead and eventually ran out comfortable winners in a game played in wet and muddy conditions.

Home Run Hero was Steve Aguirre with a 2 run blast in the 5th. OBP king was Stewart, who went 5 for 5 (1000). Female leader was Caroline, 4 for 5 (800) with Annie, TK and Sandra (all 4 for 6) close behind. There were lots of good performances up and down the line up, we put the opposition under pressure in every single inning of the game.

In the field Michael made some impressive plays at short stop, Steve A. was solid on 1st, Sandra looked good on 2nd (with a couple of nice catches), Dave pitched well after a slightly uncertain start, and play of the day was a tag at home on a fine relay play in the bottom of the 7th after a blast that went over the heads of the outfielders. Annie also recorded a nice out at first on a ground ball in front of the plate and everyone worked hard and made the plays they needed to.

MVPs were Annie and Steve A.
