Batting Leader board

<u>On base percentage</u>	<u>(M)</u>	<u>On base percentage</u>	<u>(F)</u>	<u>Home Runs</u>			
Dave	907	Emma	776	Dan	8	Rob, Michael	2
Tony	857	Annie	757	JD, Dan	7	Dave W.	1
Dan	767	Louise	583	Steve A. , Tony	3		

OBP = On Base Percentage = hits + walks / plate appearances. (It's not a hit if another runner is **FORCED** out on the play).
Minimum of 10 plate appearances needed to feature in the OBP figures .You also need to have played in 1 or more of the last 4 games.

05/07/16 Colt 45s 16-10

We christened our new orange away kit with a win on the hottest day of the summer so far. A hot and humid practice session on Monday coupled with reports of soaring temperatures to come had led to the decision to give black a rest and we celebrated our bright new appearance with a bright performance against the Colts.

We took an early lead in a low scoring start to the game. The Colts staged a fight back as the bats on both sides came to life in the 4th and 5th, but they never quite drew level and we pulled away to a comfortable lead in the last 2 innings.

OBP leaders were Steve (4 for 4), Annie and Dave (each 3 for 3) who all batted 1000. Home Run heroes were Dan and Michael with 1 apiece, Michael's 3 run homer in the 6th was the game breaker that finally put us in a winning position. Our base running was a bit conservative early on, but got better as the game progressed, forcing some errors from what was an generally impressive Colts defence.

In the field Dan did a fine job at short stop, Steve was on fire at first, TK got a couple of tag outs at 3rd and Sandra made some nice plays at 2nd.

MVPs were TK and Dan

Base Running Notes

Just a couple of points from last night:

- 1) Don't run inside the diamond on the way to first, particularly if the ball has landed just in front of the plate, if you get in the way of the fielder trying to throw the ball to first you will be called out by the umpire.
- 2) Try to get out of the habit of just running to the next base and then switching off. Always look to see if there is a chance to run to the next base, always identify where the ball is on the field and then come off the base and take a short lead when you can do so safely, as a general rule, if you stay closer to the base than the nearest fielder you should be able to get back to the base safely if necessary.
