

In this Issue: Dates, Stats, Red Rose Report, Awards, Social Diary

Coming up:

Practice Mon 12/09/16 Metrovicks
Practice Mon 19/09/16 Metrovicks *TBC ? – might be Sunday 18th ?*
Sefton Sat 24/09/16 Northern CC
Sefton Sun 25/09/16 Northern CC

End of Season Awards (and meal)

Each season there are a number of awards to hand out. These include 2 for which your vote is needed, player of the year (female) and player of the year (male). That doesn't have to be based on field performance, more their overall contribution to the team on and off the pitch. You can also suggest your most memorable moment of the year, if we get 2 or more strong candidates for that I may ask you vote to pick the team's moment of the year. I'll be writing round again about this - I'm happy to wait until after Sefton before you pick your players, but voting will close at the end of September, I also need suggestions for a suitable (not too expensive) venue for the awards meal – we usually meet in the city centre but I'm open to other suggestions. The awards night will be a separate do to the golf / bowling/ dodgems extravaganza at the Trafford Centre.

Red Rose Tournament

A curate's egg of a performance over the day. We started off awful but then got better as the day went on. For the first half of the game against the Basehunters we were still in bed, we played better in the last 20 minutes but still slipped to a 6-5 defeat. In the 2nd game we were excellent in the field and ran a star studded ~~Ringers~~ Rippers outfit close going down 3-1. In the last game against Phoenix we sorted ourselves out and won 12-5. With the Rippers having gone 3 for 3 and every other team 1 and 2 our better run difference put us through to the final and a 2nd encounter against the Rippers. We were playing much better by this stage and in a close, well fought, game, despite another slow start with the bats we came within 1 out of a shock victory before conceding defeat on a close play at the plate.

Over the day the female batting leader was TK (600) with guest Jeremy (778) leading the men. Dan was best of the regulars at 667. Michael (3 for 3) and Stewart (2 for 2) led the way in the final. All the games were played in a good spirit and the sun came out for the second half of the day.

Box score for the final:

Tigers	0	1	0	0	2	5	8
Rippers	5	0	0	2	0	1	9
